Satisfactory Progress Statement: This is a restricted major. In order to apply for this major, students must complete ACIS 1504, ECON 2005, MATH 1525-1526 (or Math 1524) with a minimum GPA of 2.50; have a minimum GPA of 2.50 in all ACIS, ECON, and BIT lower division courses; and have a minimum overall GPA of 2.0. Applicants are considered on a competitive GPA and space available basis. Students must continue to maintain an overall GPA of 2.0 and in-major GPA of 2.0 for satisfactory progress towards a degree.

GENERAL INFORMATION

A total of <u>125 Semester Hours (SH)</u> is required for graduation. Any exceptions to this curriculum must be approved by the student's Department Head and the Pamplin College of Business Associate Dean for Undergraduate Programs.

<u>Pre-requisites</u>: Students are responsible for ensuring that they have the necessary pre-requisites by referring to the course catalog and/or their advisor.

<u>In-Major GPA</u>: The GPA in the Finance Major includes all College of Business junior and senior level courses, and all courses required for the major. **These courses are marked with** #. In order to graduate, students must have an in-major GPA of at least 2.0.

<u>Transferring Courses</u>: Additional requirements and procedures for transferring courses are available in the Undergraduate Catalog and the Pamplin College of Business form, "Authorization to Take Courses Elsewhere."

<u>Foreign Language Requirement</u>: Students who did not successfully complete at least two years of a single foreign, classical, or sign language during high school must successfully complete at least six semester hours of a single foreign, classical, or sign language at the college level. Courses taken to meet this requirement do not count towards graduation. Please consult the Undergraduate Catalog for details.

FOOTNOTES

- Satisfactory progress toward a degree: Upon having attempted 72 credit hours (students who entered Pamplin as freshmen) or 90 credit hours (students who transferred into Pamplin), a student must: (1) achieve no grade lower than a C- in MATH 1525 and 1526 (or MATH 1524 or acceptable equivalents); ACIS 1504, 2115 and 2116; BIT 2405 (or STAT 3005) and 2406; ECON 2005 and 2006; and (2) achieve a minimum GPA of 2.0 in the combination of courses previously listed. Students who have not met the requirements will be notified upon reaching 72 credit hours (or 90 credit hours for transfer students) that they must complete any missing courses during the next term of enrollment to rectify any deficiencies. Failing to do so will result in a student being required to transfer to another college at Virginia Tech. This policy is strictly enforced.
- A student must achieve a grade of C- or better in the business core courses (ACIS 1504, MATH 1525-1526 (or MATH 1524), ACIS 2115-2116, BIT 2405 (or STAT 3005)-2406, ECON 2005-2006, BIT 3414, FIN 3104, MGT 3304, MKTG 3104, FIN 3054 or 3074, and MGT 4394). A grade of C- or better must be earned in BIT 3414, FIN 3104, MGT 3304, and MKTG 3104 before taking MGT 4394. FIN 3054 or FIN 3074 may be taken at the same time as MGT 4394; however, the student must earn the specified grade or repeat the course and earn a C- or better before a business degree can be earned.
- 3 COMM 2004 Public Speaking is required for all Business majors who did not take COMM 1015-1016. It may be completed in the sophomore, junior or senior year.
- Free electives must include at least three hours from the University Curriculum for Liberal Education (CLE) Area 7: Critical Issues in A Global Context. Area 7 courses may be used to meet another requirement, or taken as a free elective.
- ⁵ Prior to enrolling in these courses the student must have earned a grade of C or better in FIN 3134. Students who receive a C- in FIN 3134 may enroll concurrently in these courses while retaking FIN 3134.
- In order to graduate, and prior to enrolling in these courses, the student must have earned a grade of C or better in FIN 3144 and FIN 3154 (only FIN 3144 for FIN 4214). Students who receive a C- in FIN 3144 or FIN 3154 may enroll concurrently in these courses while retaking FIN 3144 and FIN 3154. Students must have earned a C or better in FIN 3134 before enrolling in these courses.
- ACIS 2115, BIT 2405 and ECON 2005 must be completed prior to enrolling.
- 8 Students in this option are strongly encouraged to take the following electives:
 - MGT 1104: Foundations of Business
 - MGT/HTM 2314: Introduction to International Business
 - FIN 2114: Investments and Financial Literacy. This elective also partially meets CLE Area 5 requirement.
- * The courses in this option taken together with ACIS 4194 (Financial Statement Analysis) and FIN 4244 will assist the student in preparation for Level I of the CFA® program. Pamplin College of Business is a CFA® Institute Affiliate Institution. CFA® is a registered trademark of the CFA Institute, which is the grantor of the CFA® designation.
