

Overview of Relevant Accomplishments

- ◆ Created program in banking risks and acquired \$2mm funding for experiential learning in credit
- ◆ Presented research at various national and international professional conferences
- ◆ Established, implemented, and advise \$5 million fixed income fund managed by 25-30 students
- ◆ Managed \$1.5m/yr. R&D unit with staff of 8 serving two dozen professionals
- ◆ NSF-funded as Co-Principal Investigator on project for interdisciplinary research and teaching
- ◆ Directed \$200,000 of industry-sponsored, technology-related research in 2001, 1997, and 1996
Create & manage R&D teams; Interact with top execs of startups and Fortune 500s; Advise on strategy

Focus Areas

Teaching: Financial Institutions, Fixed Income Securities, International Finance,
Business Finance for Technology-Focused Enterprises

Research: Regulation of Financial Institutions and Markets, Futures Markets

Academic/Research Positions

SunTrust Professor of Banking	<i>Virginia Tech</i>	Jul. 1995 - Present
Professor, Finance	<i>Virginia Tech</i>	Aug. 1989 - Aug. 1995
Associate Professor, Finance	<i>Virginia Tech</i>	Sept. 1984 - Aug. 1989
Assistant Professor, Finance	<i>University of Texas at Austin</i>	Aug. 1979 - Aug. 1984
Financial Economist	<i>Comptroller of the Currency, U.S. Department of Treasury</i>	Jan. 1978 - Aug. 1979

Education

Ph.D.	Finance	<i>University of North Carolina</i>	December 1977
M.S.	Math. Statistics	<i>University of North Carolina</i>	May 1975
B.S.	Mathematics	<i>Georgetown University</i>	May 1973

Administrative Positions – Virginia Tech

Coordinator	<i>RMB Option w/ Credit Corps</i>	Jan. 2019 - Present
Co-Advisor	<i>BASIS</i> \$5mm fixed income student-managed fund	Aug. 2004 - Present Sole advisor: 2014 - Present
Executive Director	<i>Center for Wireless Telecommunications (CWT)</i>	July 2001 - June 2004
Director	<i>Space And Wireless Business Center (SAWBUC)</i> Prior to 4/94 designated as "Assoc. Dir. for Business Research," CWT	Jan. 1991 - Jun. 2001
Department Head -Interim/Acting	<i>Department of Finance, Insurance and Business Law</i>	Jan. 1995 - Jun. 1996 & Aug. 1999 - Jan. 2000
Director	<i>Department of Finance Ph.D. Program</i>	Jul. 1985 - Mar. 1989

Courses Taught

Bank Management, undergraduate	Theory of Finance, Ph.D.
Fixed Income Securities, undergraduate & MBA	Commercializing Network Technologies, MBA
International Finance, MBA	Business of Communications Technologies, MBA Seminar
Financial Intermediaries, MBA and Ph.D.	Finance of Broadband Wireless, MBA

Recent Curriculum Development

Revamped Risk Management and Banking option to make more attractive to employers and students

FIN 3254 – Credit Analysis. Constructed course and pushed through university governance, assisted in hiring instructor to start Spring 2019

FIN 4225-26 Credit Corps. Capstone experiential learning for students lending \$2mm to corporations

"Earnings Announcements and Accounting Misrepresentation." Co-authored with Kyung Mun, presented at European Financial Management Association, Vienna, Austria, June 27, 2007 (presented by Mun).

"When Do We Want to Know? A Supervisory Perspective on Disclosure," co-authored with Kyung Mun, presented at FMA annual European conference, Barcelona, June 1, 2007.

"Catalyzing Multidisciplinary Research through Innovative Multidisciplinary Graduate Education." *ICEE annual conference*, Scott F. Midkiff, George Morgan, et al, (presented by Midkiff) Summer 2006, San Juan, Puerto Rico.

"A Financial Perspective on the Conflicts and Pitfalls of Commercializing Technology," lead presentation, *Managing and Financing of Small High Tech Firms*, Hotel Roanoke and Conference Center, April 22, 2004, conference organizers K.C. Das, sponsored by Virginia Tech and VCU.

"The Wireless World," National Telephone Cooperative Association annual meeting, Keynote Address, Seattle, Washington, October, 2003.

"After GETWEBS: Continuing Wireless Research at VT," co-authored with Charles Bostian and Bill Carstensen, NSF Principal Investigators' conference, University of Hawaii, October 15, 2003.

"The Telecom Collapse and the Future of Broadband Wireless," WINMEC Spring Conference, UCLA, May 21, 2003. Chaired session on "Industry Verticals."

"The Future for Wireless," Center for Innovative Technology, Technology briefing, Lynchburg, VA, January 12, 2003.

"Interoperability Issues in Public Safety and Disaster Response," NSF Digital Government Conference, Redondo Beach CA, May 2002. Organized and chaired session on Public Safety and Disaster Response.

"Economic Outlook for the Dan River Region," invited community presentation, Danville, VA, January 2002.

"Fixed Broadband Wireless: Coming or Going," Technology Briefing, CONNECT Scotland, June 28, 2001, University of Strathclyde, Glasgow Scotland.

"Wireless Business Trends," pre-conference seminar, International Wire and Cable Symposium annual meeting, November 13, 2000, Atlantic City.

"An Analysis Tool for LMDS Equipment and Deployment," ICM Conference on LMDS and Fixed Broadband Wireless Access -- Ensuring Fast Return on Investment, May 24-25, 1999, Washington, DC. and at Wireless Opportunities Workshop, Herndon, Virginia, September 13, 1999.

"State of the Wireless Business," International Microelectronics and Packaging Society annual meeting, Plenary Session, November 1, 1998.

"New Bands, New Technologies, and Spectrum Auctions: What's Happening in Wireless," coauthored with Christie Thompson and Charles Bostian, IEEE-Region 3, Southeastcon, '97, April 14, 1997.

"Satellite Spectrum Auctions: Regulatory Feedback in Transnational Markets," co-authored with Julia Kwok and Pankaj Lal, Telecommunications Policy Research Conference, Solomons, MD, October 1996.

"Cross-Hedging Foreign Exchange Rate Risks: The Case of Depository Financial Institutions in Emerging Asian Countries," co-authored with Kyung Chun Mun, Financial Management Association annual meetings, October 1996.

"Passing the Bucks: Gross versus Net Margining," co-authored with Katherine Daigle, presented at the Financial Management Association meetings, October 12-15, 1994.

"Bank Regulatory Triage: Optimal Closure Rules and an Economic Explanation of Forbearance," co-authored with Raman Kumar, presented at the Western Finance Association annual meetings, June 1993 and invited paper at Wake Forest University Symposium on Economics and Public Policy, May 1-2, 1992.

"Firm Valuation and Growth: The Role of R&D in the 1980s," co-authored with Andy Hall and Dilip Shome, presented at the Financial Management Association annual meetings, October 1992.

"Agency Theory and the Interaction of Capital Structure and Dividend Decisions," co-authored with Dilip Shome and Greg Noronha, presented at the Financial Management Association annual meetings, October 1992.

"An Investigation of the Acquisition Process in the Market for Corporate Control," co-authored with Dilip Shome and Nilanjan Sen, presented at the Financial Management Association annual meetings, October 1992.

"Customer Risk and the Regulation of Futures Commission Merchants," co-authored with James Jordan, presented at the American Finance Association annual meetings, December 1989.

"Some Estimates of Minimum Risk Maturity Gaps for Savings and Loans," co-authored with Jim McNulty and Steve Smith, presented at the Financial Management Association annual meetings, October 1989.

"The Role of Covariance in the Theory of a Forward-Futures Price Differential," presentation at the Southern Finance Association annual meetings, November 1988.

"A Theoretical Examination of the Effects of Expanded Asset Powers on Mutual S&L Portfolios," co-authored with Sylvia Hudgins, presented at the annual meetings of the Eastern Finance Association, April 1988.

"Financial Management of High Technology Firms," co-authored with Karen Morgan, presented at the annual meetings of the Southern Finance Association, November 1987.

"The Effects of Expanded Asset Powers on S&L Portfolio Diversification," co-authored with Sylvia Hudgins, presented at the annual meeting of the Financial Management Association, October 1987.

Other Scholarly Works

"Notes on a Simple Taxonomy of Capital and Leverage Regulations, Conflicts and Compliance" Southwest Finance Association Annual conference, Houston TX, March 2019. Under Revision.

"Timeout," coauthored with Tom Kanen and Kenneth Portier, white paper in progress, December 2017.

"Intertemporal Effects of Capital Adequacy Regulation on Bank Risk-Taking," co-authored with Letizia Conversano, working paper, December 29, 2016. Under Revision.

"Convexity is the New Duration," working paper, March 2014.

"Real World-Oriented Design for Cognitive Radio Networks," coauthored with Dilip Shome and Yaling Yang, 2010 Proposal submitted to National Science Foundation NeTS program.

"A Financial Perspective on the Conflicts and Pitfalls of Commercializing Technology," white paper, 2004.

"Managing New Security Risks In Faculty-Led Study Abroad Programs to Europe," coauthored with Christine Jarchow, working paper 2004.

"Globalizing U.S. Ivory Towers with Faculty-Led Study Abroad -- Relevance and Risks Post September 11th," working paper 2004.

"The Economics of Bank Closure and Forbearance When Insurance Premia Are Exogenously Determined," coauthored with Raman Kumar, working paper, July 2003.

"Capture of Federal Banking Regulators Since the New Deal," working paper, 1993.

"Economic Analysis of FCC Licensing Costs: Endogenous Entry Barrier or Regulatory Cost Control?" 1994.

"Space Debris: An Economic and Regulatory Perspective," white paper, 1993.

"The Role of Expectations in the Transmission of Monetary Policy," Phd. Dissertation, December 1977. Builds a two period microeconomic model of a bank and examines the implications of bankers' expectations for aggregates.

"The Analysis of Binary Dependent Variables in Business and Economics," Master's Essay, Department of Statistics, University of North Carolina, Chapel Hill, 1975.

Other Professional Activities

Faculty coordinator for Risk Management and Banking option, 2018-20
Marketing the option, advising students, placing students, advertising to employers

Co-leader of first Credit Corps Deal Team -- \$100,000 loan to private company, approved Dec. 2019.
Assisting Prof. Fred Hood in managing subsequent Deal Teams and analyzing new loans.
Successfully added a second bank partner, First Bank, to the program in 2020.
Member of the Credit Corps Commitment Committee, 2019-2020
Faculty leader of student team proposing \$2.4mm funding for academic program in credit. Presented to VTF Investment Committee, April 29, 2019. Approved \$2mm funding.

"Not Monopoly Money," by Jason Roop, *Virginia Business Magazine*, The real world. December 30, 2019.

Discussant, "Performance of BHC's," by Atul Saxena, Southwestern Finance Association annual meetings, March 13-16, 2019

Session Chair and Discussant, "Government Policy," Southern Finance Association, Asheville, NC, November 2018.

“Victor Torres Family Trust,” case study on bond portfolio management and return attribution. July 2018.

Session Organizer and Chair, Southern Finance Association, San Destin, Florida, November 2016.

Session Chair, Bank Failures, Midwest Finance Association, Atlanta, Georgia, March 2016.

Program Committee and Session Chair, Southern Finance Association, Captiva, Florida November 2015.

“Notes on Convexity and Speed of Adjustment,” Learning notes for use by Financial Modeling instructor.

“Managing Mr. Jefferson’s Portfolio,” case study on fixed income portfolio management, with teaching notes (5 pages single-spaced), solution file. Co-authored with Cara Spicer, to be used in new Financial Modeling course.

“Protecting the EU’s Mediterranean Flank,” Parts A and B, role-playing case study in collaboration with Pooja Thakur.. January 2014.

Altria Leadership Investment Fund Grant. Prepared and successfully acquired \$10,000 grant doubling prior two \$5,000 grants from Altria to support BASIS and SEED operating expenses. September 2016, September 2015, September 24, 2014 and September 30, 2012.

“Black Gold,” Presentation on oil markets to Blacksburg and Auburn High School classes with BASIS students, February and March 2015.

“Ukrainian Crisis: From Russia with Love,” Presentation to Blacksburg High School business classes with a group of BASIS students: May 2, 2014.

“How does the crisis in Greece (and Italy) affect you. Why should you care?” Presentations to high school business and accounting students at Blacksburg High School and Christiansburg High School with a group of BASIS students: December 10, 2013, March 23, 2012, and December 14, 2011.

Co-designer of two new hybrid (exchange/customized) semester programs (for Spring 2013-2020 enrollment)
Zurich University of Management and Law, designed for finance majors in junior year
IES and Autonomous University of Barcelona, designed for international business minors

Co-leader and organizer of in-residence summer study abroad programs
“International business and culture in Barcelona” 2005, 2009, 2010
"Finance and Technology in the UK and Ireland" 2001

Assisted with preparation and participated in 3-week “Spotlight” feature on VT web page and in video on student managed investment fund management. April 2, 2012. Garnered nearly 2000 hits in ten days. Available at <http://www.vt.edu/spotlight/impact/2012-04-02-investing/seed-basis.html>.

Video available also at <http://vimeo.com/39482385>. Had the highest percentage of full plays of any VT video in the month of April. Fourth highest hit rate competing against two April 16th memorial videos.

“Understanding the Financial Crisis,” Invited moderator of panel discussion, Roanoke Higher Education Center, February 11, 2009. Sponsored by Junior Achievement of Roanoke.

“The Financial Crisis: Causes, Consequences and Solutions” October 2008, invited panel participation for the Graduate Student Assembly, Virginia Tech. Co-panelist/presenter with Raman Kumar and Randy Billingsley.

Session Chair, Financial Educators Association annual meeting, September 18-20, 2008.

College award for “Excellence in International Programs,” Pamplin College of Business, 2007.

Session Chair (Banking, Session #71) and Discussant (“Opaqueness of European Banking Firms”), FMA annual European conference, June 2007.

Invited guest lecturer BIT Phd seminar: “Career paths for business PhDs – lessons learned” April 4, 2007.

Invited presentation to Liberty University Finance Club: "Opportunities and pitfalls in forming a fixed income fund," November 8, 2006.

Principal Investigator on Sponsored University Research (supporting graduate students and faculty) since 1991 aggregating to \$2,084,000. 2001: LMDS deployment in Southside, \$155,000. 1999: NSF grant for \$200,000. 1997 Volume: \$237,000. Sponsors include: Hughes Electronics, ParTechnology, SpaceVest, Federal Bureau of Investigation, Office of Technology Assessment, National Science Foundation.

New Courses Developed:

Credit Analysis, FIN 3254 (Spring 2019)

Credit Corps Lending Practicum (FIN 4225-26) – approved by UCC Feb., 2020

"Commercializing Network Technologies," team taught with economist for engineers and MBAs (2003)

Teamed with engineer and geographer to create interdisciplinary course on deploying wireless (2001)

MBA banking course revised to focus on international aspects of commercial banking (Spring 2000)

Member of the University's "Spectrum Allocation Board" for setting policy on use of broadband wireless and member of ad hoc committee to receive and evaluate industry proposals for partnerships with the VT Foundation.

Governing Board, member, International Space University, 2003

Led bidding team in 1999 FCC electronic auction of LMDS licenses.

Session Chair, "Broadband Technologies for the Digital Millennium," *Wireless Opportunities Workshop* September 25, 2000

Creator and organizer of the *Wireless Opportunities Workshops* September 1999 on LMDS technologies and business opportunities. Presentations on the creation of an LMDS Research Consortium and on Mobile LMDS as well as Equipment and Deployment Analysis.

Lead an interdisciplinary team responsible for designing and implementing a strategy to bid and acquire radio licenses in the 1998 FCC LMDS auctions for the VT Foundation. Final winning bids: \$1,104,000.

Creator and organizer of the *Wireless Opportunities Workshops* at the Hotel Roanoke and Conference Center, October 1997. Presentation on Project Financing and on the Location Business.

Creator and organizer of new "in-residence" programs for summer study abroad: Freiburg (1998), Dijon (1999), Vienna (2000)

Fellow, Center for Organizational and Technological Advancement, 1997-98.

Invited Panelist, "Workshop on Mobility and Wireless Telecommunications Technologies," Office of Technology Assessment, U.S. Congress, October 31, 1994.

Visiting Lecturer, International Space University, 1993.

"Enhancing the Role of Wireless in the National Information Infrastructure," Third Annual Virginia Tech Symposium on Short Term Profits, R&D and US Competitiveness, October 7, 1994 in Herndon, Virginia. Creator and Organizer of Symposium.

"Communications Un-Plugged," Second Annual Virginia Tech Symposium on Short Term Profits, R&D and US Competitiveness, February 11-12, 1993, Creator and Organizer of Symposium.

"Space: The Final Frontier for US Business?" First Annual Virginia Tech Symposium on Short Term Profits, R&D and US Competitiveness, March 27, 1992, Creator and Organizer of Symposium.

"US Competitiveness: Are We the Problem or the Solution?," Special Session on Financial Education, FMA annual meetings, October 24, 1992, organizer and chair of panel discussion.

Faculty Advisor, Macintosh Blacksburg Users Group (Macbug), 1989-91.

Faculty President, Beta Gamma Sigma, 2000-2001.

Program Committee, Financial Management Association Annual Meetings.
Financial Institutions Track, 1991, 1992, 1993, 1994.
Futures and Options Competitive Paper Award Committee, 1992.
