WHY DELOITTE?

I CHOSE DELOITTE BECAUSE...

"I wanted the experience of working on projects across many industries and clients to expand my business knowledge and technical skill sets." – 2014 VT Finance Graduate

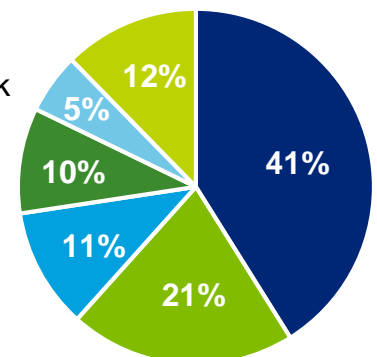

"As a candidate, I felt my skills and interests were valued holistically and not just based on my CV or academic achievements. I also felt extremely supported by the Deloitte Hokie network throughout the interview process and knew that community would remain steadfast." – 2017 VT Finance Graduate

HOW TO GET TO DELOITTE?

HIRING OPTIONS

CAMPUS HIRE

Deloitte provides students an array of opportunities like internships and competitions. Students can be hired into full time positions during their senior year of undergrad.

EXPERIENCED HIRE

Deloitte hires practitioners with a variety of experiences from outside of the firm and provides opportunities for them to apply their past knowledge in new ways in any industry they choose.

ADVANCED DEGREE HIRE

Deloitte encourages graduate students to participate in a number of programs and conferences during their advanced degree programs.

BOOMERANG

Practitioners have the ability to pivot their career paths to work in industry and come back to Deloitte with a new wealth of experiences.

ADVICE FROM FELLOW HOKIES

JACKIE NORELL, MANAGING DIRECTOR

"Every project, every client challenge, every opportunity, is best addressed when we bring financial management concepts along for the ride! The skills you are learning ARE transferable in nearly every situation we face. Believe it!"

MONIKA NARECHANIA, MANAGER

"Within Deloitte, it's all about utilizing your problem-solving skills. We aim to recruit individuals with new and different perspectives that have the drive to constantly learn. Your experience working together in class and on group projects are skills that help you prepare to flex those strengths."

CHLOE SNYDER, ANALYST

"Reach out to Deloitte practitioners and ask questions!! It gives you an informal and organic opportunity to get a 'feel' for the culture and ask the questions you want to ask."
